

8.7.2012

To whom it may concern

**Subject: recommendation letter**

I've been working with Yulia for the last few months while she was the CEO of Casteffect which planned and executed our company promotion video. Yulia shows high levels of experience, technical knowledge and client relationship skills. It was a pleasure to work with Yulia and she is an asset to any company she will work for.

Sincerely,  
Tomer Vilmovsky  
Marketing manager  
Modgal Metal(99) Ltd
